paulobuba26@gmail.com

Ajuwon, Lagos 100001

Detail-Oriented Front-end developer with more than two years of experience in HTML, CSS, JavaScript, React and Angular. Highly skilled at both independent and collaborative projects, with an emphasis on figma design replication, landing page and website development.

EXPERIENCE

FRONT-END DEVELOPER

Ikeja, LAGOS

Polaris DigiTech Limited

September 2022 – Present

- Created technical requirements and worked with engineering team to develop, test and launch functionality on time and with high quality.
- Wrote style guidelines for client-facing applications developed by cross functional teams.
- Translated figma design files to clean, accessible and interactive user experiences.
- Wrote supporting code for web applications and websites.
- Maintained understanding of current web technologies and programming practices through continuing education and participation in professional conferences and workshops.

WEB DEVELOPER INTERN

LAGOS STATE

Inkeeper.work Academy

Jun 2022 – Aug 2022

- Aided in the development and maintaining of functional website for clients.
- Updated and modified already-existing online content and projects.
- Wrote custom HTML, CSS, JavaScript, and some of its framework code such as React and Angular for websites and applications.

SKILLS

- | | | |
|--------------|-------------------|-------------------|
| • HTML | • React | • Team player |
| • CSS | • Angular | • Problem-solving |
| • JavaScript | • API Integration | |

PROJECTS

- **MOVIE COLLECTION WEBSITE** (<https://movie-app-paulobuba.vercel.app/>) *April 2022*
A website that provides users with the most recent and trending movies, as well as the ability to search for a specific movie of their choice.
- **GYM WEBSITE** (<https://gym-website-paulobuba.vercel.app/>) *April 2022*
With the use of HTML and the perfect touch of CSS, I replicated a figma design for a fully mobile responsive and user friendly website where members can view their fitness class schedule, make a booking, and learn about the services offered.
- **ANIMATED WEBSITE** (<https://aos-animation-website-paulobuba.vercel.app/>) *July 2022*
Replicated a fully responsive Bootstrap website that's scalable across all screen size. AOS animation library was used to improve the display and user experience.
